DIRTY CREEK

AMERICAN BURYING BEETLE (ABB) CREDITS

Dirty Creek Conservation Bank provides offsets to temporary, cover change and permanent unavoidable impacts to ABB habitat in the northern and southern Oklahoma ABB Service Area Range. ABB Endangered Species Conservation credits from Dirty Creek are available for use within the USFWS Tulsa District ABB Consultation Range and on a case-by-case basis throughout the state.

Mitigation Solutions USA is the exclusive broker of American Burying Beetle credits for Dirty Creek Conservation Bank.

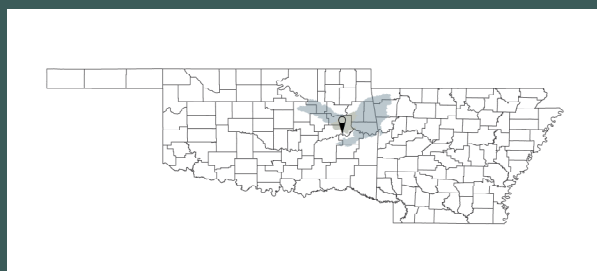

IMPACT	ABB RANGE	PRIORITY AREA

August 2018	865.1
December 2018	152.7
May 2020	521.2

About Us: Mitigation Solutions USA (MSUSA) was founded in 2007, as an affiliate of Advanced Ecology Ltd. (AEL). MSUSA is a national leader in providing comprehensive environmental offsets — and has a history of successfully representing more than 28 mitigation banks and approximately 41 permittee-responsible mitigation (PRM) sites across the United States. MSUSA has expertise in navigating through the complexities of the mitigation industry and the challenges of brokering environmental credits to many markets. AEL was established in 1994 as an environmental firm of scientists who work on proprietary projects.
